## **Six Month Women's Wear Course Full Time Price 11.000 euro**

### **Fashion Trend Forecasting 2 weeks**

#### **Course Content**

##### **Research - New Knowledge - Learn how to discover new trends**

The Course will allow students to learn how to plan a product in relation to current trends. From the colour to the fabric to the silhouettes and the target concepts in relation to the fashion trends. The course requires to student become familiar with Photoshop & Internet researching trends. The student will collect information trough Internet - will make mood boards & written brief, to demonstrate their own interpretations of a theme and/or trend.

### **Fashion Styling Course 4 Weeks**

#### **Course Content**

##### **Fashion Culture - Body Shapes - Face Shapes - Style Identification - Colors in Fashion - Dress Code – Fashion History**

This Fashion Stylist Image consulting course, will allow students to develop the sense of stylizing fashion not only with great taste.

Fashion stylists must always keep in mind that they have too consider a number of factors: how to match clothes to flatter all types of size and shapes of body, how to wear appropriate clothes suiting time, place and situation, or how to be trend conscious to make an eye catching campaign. Whether you want to be a stylist for personal shopper or photoshooting stylist, this course will allow you to expand knowledge about styling how to dress in each situation.

The course includes exercises on mixing and matching for new ways to dress yourself, analyzing the street fashion, coordinating an outfit under budget and more. You will have to discover all sorts of shops in Milan, becoming a stylist while enjoying the fashion capital.

### **Fashion Shooting Course 1 Week**

#### **Course Content**

The Fashion Styling Shooting module of Milan Fashion Campus is a styling workshop dedicated to the preparation of real fashion shooting in a studio with a professional photographer, a model and a hairstylist. We will allow students to develop the sense of styling with practical exercises, and to increase their styling portfolio.

The project aims to conduct the student from the beginning to the end of the photo shoot, giving the possibility to prove his/her styling potential.

This module consists of four days of work, according to the different phases of the project.

### **Women Fashion Design Course 3 month**

#### **Course Content**

##### **Photoshop Lessons - Illustration Lessons - Freehand Drawing - Computer Skills**

The Woman's Wear Design Course is to prepare the student for the professional reality of the fashion world, not only developing the individual creativity, but also to acquire the necessities of the Fashion Industry.

This course is combined also with the COLLECTION DESIGN SIMULATION program designing in combination with actual fabrics.

Creativity is difficult to be explained , especially in fashion. For example the design of a dress appears only fully in the mind of a designer. The designer then has to communicate his creation through sketches but it must be precisely expressed to suit the mood of the fabric. You must have knowledge of fabric in order to design and sometimes designs are based on the textile in the professional world.

**Open Design Course 1 Month** You have the possibility choose to have one of the following Course for the duration of 1 month

**Accessories Design Course  
Lingerie & Swimwear Design
